

2018 Spelling Bee Registration Link

Teachers wishing to send a contestant to the LAD Fair Spelling Bee should complete a LAD membership form and submit it, along with their registration fee of \$20, to the appropriate person as named on the registration form. This also entitles the teacher to submit writings to the LAD Fair writing competition. For further information about submitting student writings, please refer to the LAD rules and category descriptions. We hope you take advantage of your LAD membership by allowing more of your students to participate!

Please familiarize yourself with the Spelling Bee Information and the Spelling Bee Rules to help your students prepare for the LAD Spelling Bee.
